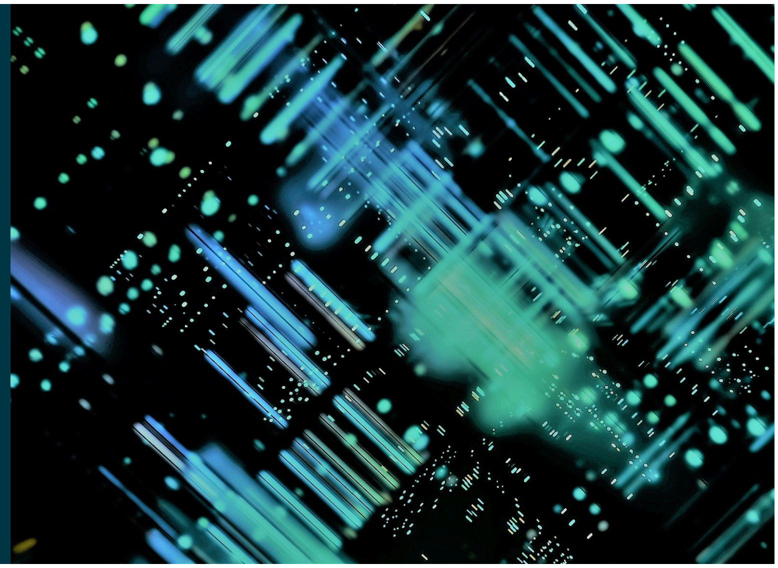
# Wilson Sonsini Advises Twitter on $44 Billion Acquisition by Elon Musk



## CLIENT HIGHLIGHTS

*April 25, 2022*

On April 25, 2022, Twitter, Inc. announced that it has entered into a definitive agreement to be acquired by an entity wholly owned by Elon Musk in a transaction valued at approximately $44 billion. Upon completion of the transaction, Twitter will become a privately held company. Wilson Sonsini advised Twitter on the transaction.

Under the terms of the agreement, Twitter stockholders will receive $54.20 in cash for each share of Twitter common stock that they own upon closing of the proposed transaction. The purchase price represents a 38 percent premium to Twitter's closing stock price on April 1, 2022, which was the last trading day before Elon Musk disclosed his approximately 9 percent stake in Twitter. The transaction, which has been unanimously approved by Twitter's board of directors, is expected to close in 2022, subject to the approval of Twitter stockholders, the receipt of applicable regulatory approvals, and the satisfaction of other customary closing conditions.
