

DONALD TRUMP: YOU WORK FOR US

You weren't elected as a king or dictator. Our Constitution prevents this.

You lack a mandate from the American people to dismantle our rule of law, wreck our economy, gut our government, sabotage our national security, or overthrow our democracy. More people voted for other candidates than for you.

You lack the authority to grant access to the private information of American citizens to your unelected co-president, Elon Musk, or his associates. This is unlawful.

You cannot terminate government programs or agencies authorized by Congress, such as Social Security, Medicaid, USAID, NOAA, or USPS. Congress controls the funding, not you.

You cannot compromise our national security. We, the people, support Ukraine, not Russia.

We, the People, Protest.

We, the People, Resist.

We, the People, Shall Prevail.

Signed: An American Citizen
